Sir,

With reference to the suggestion made in para 2 of the Government Proceedings No. 6318-9 / 709 dated 2nd December 1897, that the minimum number of processes to be served may be raised from 100 to 150 in the case of each amin, and from 300 to 400 in the case of each tsar, I have the honor to state that the opinions of the Judges of the Civil Courts were called for in the matter. The Judges of the Ashtagram and Nagar Divisions are averse to the proposed increase, while the District Judge of Nandydroog thinks that the number may be raised to 125 and 350, respectively.

No. 18

2 - The Process Establishment under the Nazarat System consists of 127 amins and 387 tsars, and the average number of processes to be served by each amin and tsar was taken as 191 and 459, respectively
